Report Comments

End-of-course evaluations results, as one indicator of teaching effectiveness, are used:

- to help instructors improve future offerings of courses;
- to inform students about courses and instructors;
- as a component of the teaching dossier; and
- to help administrators and faculty committees in their decision-making processes.

Written comments are treated as confidential and are not made available to the McGill community.

The course ratings reported here are only one indicator of teaching effectiveness and these results should be treated with caution since they represent reports on only one particular course.

He is helpful, well knowledge, and fast response.
Kaveh is very helpful and good at teaching. He made the concepts pretty clear to me. He did an excellent teaching job! I really wish I could have more courses with him! It is a pity to cancel serval lectures due to the coronavirus.
The instructor has a core expertise on the material.
